

KASPER NIKOLAJSEN DAHL

Multimedia design student

Phone: (+45) 42 22 31 21

Age: 22

Mail: Kaspernikolajsendahl@gmail.com

Location: Copenhagen, Amager

My name is Kasper. I'm a Multimedia design student at KEA on the digital design elective. I work mostly with UI/UX and digital design. As it is my 3rd semester at KEA, i'm searching for a 10-week internship this august where i can work with UI/UX, digital design or frontend. If you're interested you can check out my portfolio

SKILLS

Teamwork: I work proactively with colleagues and fellow students to achieve a high quality end product, utilising tools such as SCRUM

Interpersonal: I'm used to work under pressure while maintaining a clear head. I've dealt with tense situations/conflicts as a caretaker that i've managed deescalate

Creativity: I enjoy experimenting with different ideas and concepts for projects. I am well versed in testing and working with iterative processes such as Double diamond and design thinking
